

SSN College of Engineering, Kalavakkam  
Department of Computer Science and Engineering  
VI Semester - CSE 'C'  
UCS1611 INTERNET PROGRAMMING LAB

\*\*\*\*\*  
Exercise No 1: Website for International Conference using HTML5 Tags

Exp Date:02/02/2021

**Done by: B.Vignesh      CSE 6C      185001193**

\*\*\*\*\*

### Learning Objective:

To develop a Website for an International Conference using HTML5 elements following the below specifications:

- The conference homepage should consists of the following tabs: Home, Committee, Call For Papers, Important Dates, Workshops, Registration and Contact.
- On clicking each tab, it should open in a separate page.
- The website should contain background Image, logos, header, footer.
- Use tooltip text for help.
- For pre-conference workshop registration use form elements.
- Mandatory Tags: List, Table, Anchor, Image, Semantic Tags

\*\*\*\*\*

### Program Code :

**index.html :**

```

  <br>
  
  <br><br>
  <h1 style="text-align:center">Committee members</h1>
  <p style="text-align:center;">The Conference Committee shall
consist of the Society Conference Committee Chair, who shall serve
as an ex-officio voting Board member, the Society Treasurer, the
President and 1st Vice-President as ex-officio members, and at least
two additional members. The Conference Committee Chair shall be
appointed by the Nominations and Appointments Committee, with
approval of the Board. In turn, the Conference Committee Chair will
appoint at least two additional members, also with approval of the
Board. Typically the chair and members of the Committee will serve
for three years, with members serving in staggered
terms.<br><br><br>While the Board retains responsibility for
deciding on major policy issues and approving specific Symposium and
Workshop proposals, the Conference Committee shall be responsible
for providing oversight of technical meetings on behalf of the
Board, including (i) making recommendations to the Board regarding
Society sponsorship of proposed technical meetings, (ii) monitoring
forthcoming technical meeting proposals, soliciting new proposals,
and coordinating organizing teams as needed, (iii) maintaining
helpful guidelines and suggestions for the preparation of proposals,
for conducting Workshops and Symposia, and for preparing final
reports, and (iv) ensuring that Board-approved policies governing
technical meetings are properly followed by the organizers.</p><br>

4-5 September 2019 | HOTEL AVASA, Hyderabad, India

### Committee members

The Conference Committee shall consist of the Society Conference Committee Chair, who shall serve as an ex-officio voting Board member, the Society Treasurer, the President and 1st Vice-President as ex-officio members, and at least two additional members. The Conference Committee Chair shall be appointed by the Nominations and Appointments Committee, with approval of the Board. In turn, the Conference Committee Chair will appoint at least two additional members, also with approval of the Board. Typically the chair and members of the Committee will serve for three years, with members serving in staggered terms.

While the Board retains responsibility for deciding on major policy issues and approving specific Symposium and Workshop proposals, the Conference Committee shall be responsible for providing oversight of technical meetings on behalf of the Board, including (i) making recommendations to the Board regarding Society sponsorship of proposed technical meetings, (ii) monitoring forthcoming technical meeting proposals, soliciting new proposals, and coordinating organizing teams as needed, (iii) maintaining helpful guidelines and suggestions for the preparation of proposals, for conducting Workshops and Symposia, and for preparing final reports, and (iv) ensuring that Board-approved policies governing technical meetings are properly followed by the organizers.

## Learning Outcomes:

- From this experiment, I learnt to create a basic website for a conference using HTML.
- I had learnt various HTML5 tags in this experiment.
- I learnt the syntax and uses for various tags like the ones used for image, anchor, etc.
- I learnt how to use tables and create HTML forms in the registration page.
- I learnt the significance of HTML5 semantic tags.
- I also learnt how basic formatting can be done using HTML5.
