

SSN College of Engineering,  
Kalavakkam Department of Computer  
Science and Engineering VI Semester  
- CSE 'C'  
UCS1611 INTERNET PROGRAMMING LAB

\*\*\*\*\*

**Exercise 7: Conference website using React**

**ExpDate:20/04/2021**

**Done by: B.Vignesh      CSE 6C      185001193**

\*\*\*\*\*

**Learning Objective:**

Design a Website for an International Conference using React.

(Similar to Ex 1) **Specifications:**

1. The conference homepage should consists of the following tabs:

Home, Committee, Call For Papers, Important Dates, Workshops,  
Registration and Contact.

2. On clicking each tab, it should open in the same page (SPA). (Use  
react router)

3. The website should contain logos, header, footer.

4. The Header and footer should be same for all links.

5. For pre-conference workshop registration use form elements.

.....

**App.js:**

```
import {BrowserRouter,Route,Switch} from "react-router-dom";
import './App.css';
import CallForPapers from "./CallForPapers";
import Committee from "./Committee";
import Contact from "./Contact";
import Footer from "./Footer";
import Home from "./Home";
import ImportantDates from "./ImportantDates";
import Nav from "./Nav";
import Registration from "./Registration";
import Workshop from "./Workshop";
```

```

function App() {
  return (
    <BrowserRouter>
      <Nav></Nav>
      <Switch>
        <Route path="/" exact component={Home}/>
        <Route path="/Committee" exact component={Committee}/>
        <Route path="/CallForPapers" exact component={CallForPapers}/>
        <Route path="/ImportantDates" exact component={ImportantDates}/>
        <Route path="/Workshops" exact component={Workshop}/>
        <Route path="/Contact" exact component={Contact}/>
        <Route path="/Registration" exact component={Registration}/>
      </Switch>
      <Footer></Footer>
    </BrowserRouter>
  );
}

export default App;

```

## Index.js:

```

import React from 'react';
import ReactDOM from 'react-dom';
import './index.css';
import App from './App';
import './App.css';
import reportWebVitals from './reportWebVitals';

ReactDOM.render(
  <React.StrictMode>
    <App />
  </React.StrictMode>,
  document.getElementById('root')
);

reportWebVitals();

```

## CallForPapers.js:

```

import React from 'react';
import bg5 from './assets/bg5.jpg';

```

```

class CallForPapers extends React.Component{
  render(){
    return(
      <div>
        <div className="animation-container">
          <h1 className="text1">Welcome to the world's best cyber
conference</h1>
          <h1 className="text2">SSN Cybercon 2021</h1>
        </div>
        <br />
        <img src={bg5} alt="banner" width="100%" />
        <br />
        <div className="call-text">
          <br />
          <h1 className="call-h">Call for papers 2021</h1>
          <br />
          <p>The ICCIDS 2021 conference invites the submission of regular
and short papers on substantial, original, and unpublished research
in all aspects of Computational Intelligence, Data Science, Image /
Natural Language Processing and Blockchain.
          </p>
          <br />
          <div className="callpdiv">
            <ol type="I">
              <li className="call-li">
                <h2 style={{color:"red"}}>Cyber security</h2>

                <ul>
                  <li>Cyber advancements</li>
                  <li>Cyber science</li>
                  <li>Cyber crypto tools</li>
                </ul>
              </li>
              <li className="call-li">
                <h2 style={{color:"red"}}>Machine Learning</h2>

                <ul>
                  <li>AI research</li>
                  <li>ML research</li>
                  <li>DL research</li>
                </ul>
              </li>
              <li className="call-li">
                <h2 style={{color:"red"}}>Latest technologies</h2>

                <ul>
                  <li>Blockchain</li>
                  <li>distributed systems</li>
                </ul>
              </li>
            </ol>
          </div>
        </div>
      </div>
    )
  }
}

```

```

        <li>DBMS</li>
      </ul>
    </li>
  <br />
  <br />
</ol>
<br />
<br />
</div>
<br />
</div>
<br />
<br />
<h1 className="blink">Limited seats only!!! Register Soon
!!!</h1>
</div>
);
}
}

export default CallForPapers;

```

## Committee.js:

```

import React from 'react';
import bg5 from './assets/bg5.jpg';
import chair1 from './assets/chair1.jpg';
import chair2 from './assets/chair2.jpg';

class Committee extends React.Component{
  render(){
    return(
      <div>
        <div className="animation-container">
          <h1 className="text1">Welcome to the world's best cyber
conference</h1>
          <h1 className="text2">SSN Cybercon 2021</h1>
        </div>

        <img src={bg5} alt="banner" width="100%" />
        <br />
        <br />
        <div className="committee-text">
          <h1 className="committee-head">Committee members</h1>
          <p className="committee-p">The Conference Committee shall

```

consist of the Society Conference Committee Chair, who shall serve as an ex-officio voting Board member, the Society Treasurer, the President and 1st Vice-President as ex-officio members, and at least two additional

members. The Conference Committee Chair shall be appointed by the Nominations and Appointments Committee, with approval of the Board. In turn, the Conference Committee Chair will appoint at least two additional members, also with approval of the Board.

<br />

<br />

<br />Typically the chair and members of the Committee will serve for three years, with members serving in staggered terms. While the Board retains responsibility for deciding on major policy issues and approving specific Symposium and Workshop proposals,

the Conference Committee shall be responsible for providing oversight of technical meetings on behalf of the Board, including (i) making recommendations to the Board Society sponsorship of proposed technical meetings, (ii) monitoring forthcoming

technical meeting proposals, soliciting new proposals, and coordinating organizing teams as needed, (iii) maintaining helpful guidelines and suggestions for the preparation of proposals, for conducting Workshops and Symposia, and for preparing

final reports, and (iv) ensuring that Board-approved policies governing technical meetings are properly followed by the organizers.</p>

## Committee:

WELCOME TO THE WORLD'S BEST CYBER CONFERENCE

# SSN CYBERCON 2021

## Committee members

The Conference Committee shall consist of the Society Conference Committee Chair, who shall serve as an ex-officio voting Board member, the Society Treasurer, the President and 1st Vice-President as ex-officio members, and at least two additional members. The Conference Committee Chair shall be appointed by the Nominations and Appointments Committee, with approval of the Board. In turn, the Conference Committee Chair will appoint at least two additional members, also with approval of the Board.

Typically the chair and members of the Committee will serve for three years, with members serving in staggered terms. While the Board retains responsibility for deciding on major policy issues and approving specific Symposium and Workshop proposals, the Conference Committee shall be responsible for providing oversight of technical meetings on behalf of the Board, including (i) making recommendations to the Board Society sponsorship of proposed technical meetings, (ii) monitoring forthcoming technical meeting proposals, soliciting new proposals, and coordinating organizing teams as needed, (iii) maintaining helpful guidelines and suggestions for the preparation of proposals, for conducting Workshops and Symposia, and for preparing final reports, and (iv) ensuring that Board-approved policies governing technical meetings are properly followed by the organizers.

Photo	Description
	Member (02/10/19 until 12/31/21) Salman Avestimehr Professor Electrical Engineering Department University of Southern California avestimehr@ee.usc.edu
	Member (02/10/19 until 12/31/21) Li Chen School of Electronics and Information Technology Sun Yat-sen University Guangzhou, China, 510006 +86 20 3994 3183

**Limited seats only!!! Register Soon !!!**

## Call for Papers:

WELCOME TO THE WORLD'S BEST CYBER CONFERENCE

# SSN CYBERCON 2021

## Call for papers 2021

The ICCIDS 2021 conference invites the submission of regular and short papers on substantial, original, and unpublished research in all aspects of Computational Intelligence, Data Science, Image / Natural Language Processing and Blockchain.

### I. Cyber security

- Cyber advancements
- Cyber science
- Cyber crypto tools

### II. Machine Learning

- AI research
- ML research
- DL research

### III. Latest technologies

- Blockchain
- distributed systems
- DBMS

**Limited seats only!!! Register Soon !!!**

# SSN CYBERCON 2021

INDIA'S LEADING TWO-DAY CYBER SECURITY EVENT

## CYBER SECURITY CONFERENCE

4-5 September 2019 | HOTEL AVASA, Hyderabad, India

### Important Dates

Event	Deadline
Registration	20 February 2021
Paper submission	1 March 2021
Paper review and corrections	10 March 2021
Conference Day 1	15 March 2021
Conference Day 2	15 March 2021
Certificates	17 March 2021

**Limited seats only!!! Register Soon !!!**
